

P. N. CORSETS

Some of the good features of the P. N. Practical Side Corsets:

1—The extra side pieces make the breaking down of the Corset impossible.

2—These side pieces can be removed from the pockets wherein they are set and reversed from time to time without sewing or ripping, insuring permanent shapeliness to the Corset and adding to its lease of service.

3—If a lady wishes ease in reclining, the side pieces may be removed and replaced at her pleasure.

4—The cork steel protectors used in all P. N. Corsets will keep the front steel from rusting and breaking.

We recommend that you try these Corsets.

The Daylight Store PREPARATIONS

Are being made now for Spring needs, and it is good judgment. Goods are down to old prices and won't go any lower. If business of the country picks up through the early Spring months as indications warrant, goods will naturally get a little scarcer and a little higher. It is a safe statement that now is your best time to buy Wash Goods, and all you want.

WASH GOODS

So many Ladies buy now and make goods up for spring that we have to be prepared for this increasing demand.

One of the very best and most satisfactory cloth for Children's dresses is small figured White ground Dimity and the price is but 12 1-2c per yard.

We have a good assortment of yard wide Percales in best qualities. These are regular 15c goods, bought before high prices. What we have left now at 12 1-2c per yard.

WASH GOODS

There has been a break in the price of Gingham. Those that bought early got left and left bad. We were not in any of these early deals. We are buying and selling at present prices. There is a big difference.

We are giving the trade a good Gingham at 10c, and new styles in Amoskeag Gingham at 12 1-2c, the same old prices before the big advance.

When Gingham jumped 2 1-2c per yard we just kept out and now they are back again. It means something to you.

WASH GOODS

When the Arnold Print Works went into the receiver's hands, they had to dispense of all of their Arnold Grecian Voiles at about half price, so that we are now selling 18c Grecian Voiles at 11c.

One lot Crepe Chiffon, a 25c cloth in small figures, now at 15c.

Laces of Thread in an assortment of widths that are usually assorted and sold at from 5c to 10c per yard, are now all in one lot at 4c per yard.

White or colored Hamburgs are good trimmings for wash goods. These are here.

New Muslin Waists in the make we have such great success with, the Brighton Waist.

A. P. Abbott & Co.

FRESH GREEN STUFF

Arrived last night, a fresh shipment of Green Stuff, most of it from the South where it's warm as Summer now.

Dandelion Greens, first of the season, and they're particularly nice.

Radishes, not corky, but crisp and a good sharp taste to them, at 8c a bunch.

Oyster Plants, another first of the season vegetable at 20c a bunch.

Celery, just right to go with your chicken dinner Sunday.

That reminds us, we've got some extra good Chickens in today. "Nuf sed" about them.

Lettuce, grown right here in town, as good as you get any time in Summer, 10c a head.

There, that will give you an idea of what we've got special for today and tomorrow. Bring or 'phone in your order. Telephone 9-3.
